

Aliens Theme Cabinet

Purpose

This wiki is to meant to describe how *Epyx* built his cabinet, provide as much as possible regarding dimensions and layout and eventually store derived cabinets from it.

The source this documentation was extracted from is here:

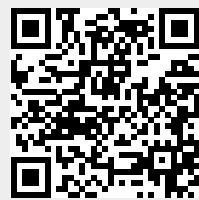

<http://forum.arcadecontrols.com/index.php/topic,96465.0.html>

Structure

The structure is currently vague as we're in the making. Let's see how this turns out.
