## **Aliens Theme Cabinet**

## **Purpose**

This wiki is to meant to describe how \*Epyx\* built his cabinet, provide as much as possible regarding dimensions and layout and eventually store derived cabinets from it.

The source this documentation was extracted from is here: http://forum.arcadecontrols.com/index.php/topic,96465.0.html

## **Structure**

The structure is currently vague as we're in the making. Let's see how this turns out.
